

NTU-MST Outstanding Research Award

Goal:

The goal of this award is to honor NTU-MST students for outstanding performance in research.

Eligibility criteria:

Applicants must be the registered NTU-MST students at the time they apply for the award.

Applicants must be a coauthor of a published paper or several papers to demonstrate the outstanding research result.

The paper must be published with NTU-MST as the affiliation of the applicant.

A manuscript accepted for publication is considered as a published work.

Application deadline: 5 pm, October 1, 2021 (Taiwan Standard Time)

Application materials: All applicants need to submit the application form, along with CV and the electronic file(s) of the published or accepted work(s) to Ms. Livia Hsiao via email (liviahsiao@ntu.edu.tw).

Evaluation:

Each application will be thoroughly evaluated by NTU-MST Outstanding Research Award Committee. Their evaluation criteria will follow creativity, innovation, contribution to the field of research.

Awards:

Diamond award: 50,000 NTD award (One recipient).

Gold medal award: 30,000 NTD award (up to two recipients).

Silver medal award: 20,000 NTD award (up to three recipients).

All matters of rules and eligibility for NTU-MST Outstanding Research Award are governed by NTU-MST Outstanding Research Award Committee and are subject to change.
